YEAS: Badeaux, Bourgeois, Benjamin, Broussard, Conque, Mouton, Stevenson, Menard

NAYS: None

ABSENT: Williams

ABSTAIN: None

Motion was unanimously approved.

Bouy explained that residences could be built in a General Business zone. In this case, the residents are requesting a rezoning to Single and Two-family residential (R-1-C). Badeaux opined that these areas should be appropriately zoned to prevent somebody from getting burned financially. He requested that the CAO look into classifying new subdivisions correctly and report back to the Council.

Upon questioning by Stevenson, Mouton explained that it is within the protocol of the Council to have this ordinance on the agenda at the request of the constituents. Bouy added that a rezoning could come from the Planning Commission, the Council or a private citizen in the form of a resolution. Conque stated, and Bouy agreed, that the difference in a Councilmember requesting the rezoning is the fees to the constituent are waived. He further stated that he would support this resolution but objected to the method.

(TAPE 1)(SIDE B)(209) AGENDA ITEM NO. 9: R-055-2004 A resolution of the Lafayette City-Parish Council encouraging the Police Department to strictly enforce Revised Statute 14:68.1 regarding penalties for unauthorized removal of shopping carts and baskets, motion to adopt by Benjamin, seconded by Broussard, and the vote was as follows:

YEAS: Bourgeois, Benjamin, Broussard, Conque, Stevenson, Menard

NAYS: Badeaux, Mouton

ABSENT: Williams

ABSTAIN: None

Motion was approved.

Upon questioning by Bourgeois, Ed Bowie explained that Replacement Cost Insurance could not be purchased because the current equipment is too old; however, there is insurance coverage to replace the equipment at market value. Bourgeois then expressed his disappointment at not

receiving the minutes of AOC's meetings upon his request. Bowie explained that those minutes are not available to the public; however, anyone is welcome to attend the board meetings. Mouton requested that copies of the AOC minutes be delivered to the Council office no later than the close-of-business on Wednesday, September 8, 2004.

Ottinger opined that the resolution requested a waiver of a requirement for coverage and if granted, the equipment will not have insurance coverage. His concern was that the contract (or a contract requirement) could not be amended by a mere resolution. It would take an ordinance, which is not before the Council now. Menard reminded that the resolution on the table is to approve AOC's budget only. The waiver of insurance is a different matter and would have to be done by ordinance.

Bourgeois reminded Bowie that shortly he will be coming before the Council, again, for funds and there are four deficiencies in the last three AOC audits. He cautioned the deficiencies needed to be dealt with before the AOC budget comes before the Council again.

This military museum is an agency of the State and there is an expressed statute authorizing surplus property that can be donated to another agency of the State if it is done so for military purposes.

Menard stated he would not vote for the ordinance. This weapon could have been sold and the money could have been used to buy assault rifles for the SWAT Team; however, the Council did not want the weapon in commerce. Now, the weapon is being given away.

YEAS: Badeaux, Bourgeois, Benjamin, Broussard, Conque, Mouton, Stevenson, Menard

NAYS: None

Motion was unanimously approved.

Upon questioning by Broussard, Logan explained that part of the \$300,000 is for engineering costs for the plats, part of it is for geotechnical engineering for soil borings to determine the type and size of the channel, and the rest would be available for expropriation if necessary. The Council still has to approve the project as a public necessity. Broussard argued that LCG has never paid for rights-of-way because there are so many drainage channels throughout the Parish and limited amount of funds. He reminded that there is an existing Drainage Ordinance in place. He cautioned against buying rights-of-way.

Mouton requested that the Clerk of the Council draft a resolution to DOTD to address the needs at the lower part of the coulee, especially around Hwy 90, and to request that the State look at the culverts. He reminded that this is the official evacuation route for hurricanes.

(TAPE 2)(SIDE A)(240) AGENDA ITEM NO. 21: O-205-2004 An ordinance of the Lafayette City-Parish Council amending the FY 03/04 operating budget of the Lafayette City-Parish Consolidated Government by transferring \$40,000 from Reserve to Transportation within the Environmental Quality Division of the Department of Public Works for additional funding needed, motion to adopt by Benjamin, seconded by Broussard, and the vote was as follows:

Upon questioning by Badeaux, Boswell explained that most of the funds will go on the maintenance and repair of the tub grinder. Some will go to fuel costs. This is the replacement for the tub grinder that burned in 2001. Badeaux then questioned why these funds were being requested, especially with the beginning of the new budget being so close.

Durel questioned if the \$135,000 could be used to buy a new grinder. Logan answered that the fund is just for maintenance and repair. He argued that if the \$135,000 were used to purchase a new grinder there would be no funds for maintenance and repair unless the consumer was charged more per month. Durel then requested that Boswell prepare an analysis from another municipality, who is using a grinder, to see how they fund the maintenance.
